Construction Starts:	End of June/Beginning of July	Note:	Please provide scope and material lead time durations with proposals.
Construction Completion:			

Thank you for your interest in bidding on the Swift Partners East & West Building TI project in Bellevue. The project consists of a market ready build out for two separate suites in two different buildings of the same property. Please provide a duration & material lead times for the scope of work that you are providing for a final construction schedule to be created.

Do not contact the tenant or the Architect with questions. **All questions are to be e-mailed to Evan Cavasos (ecavasos@mrjconstructors.com).**

Please complete and fax back this sheet to notify us if you will be or not bidding on this project to allow us to ensure we will have adequate coverage.

YES WE WILL BE BIDDING NO
