Thank you for your interest in bidding on the Cara Veterinary Hospital at Mercer Island. The scope of work will consist of a complete demolition of the existing yoga space and buildout of the new veterinary hospital. MRJ will be providing a overall schedule for your review. Please review and confirm if the duration/sequencing will be acceptable as schedule is critical for the completion of this project for the ownership.

Do not contact the tenant or the Architect with questions. **All questions are to be e-mailed to Evan Cavasos (ecavasos@mrjconstructors.com).**

Please complete and email back this sheet to notify us if you will be or not bidding on this project to allow us to ensure we will have adequate coverage.
